

On Sunday 2nd February, 37 dancers joined Mervyn Short and Judith Muir for a challenging afternoon of Scottish dances. Several dances had been been devised by dancers in New Zealand - Beach dancer and Simple Delights. Others were new for most of us and each held its own challenge.

T

he combination of Mervyn's excellent tuition and Judith's lively accompaniments made the whole afternoon a "Dancing Delight".

We have another afternoon planned for May 3rd and do hope more experienced dancers will join us for this.
